**Speaker: Rev David Lim**

**Text : Luke 22: 7 - 27**

**Title : Love in Action**

---

## **Introduction**

“Love in Action” is reflective of the church’s commitment to make the Gospel relevant to the people in the community.

## **Union with God: Covenantal Relationship with Christ**

Before the Gospel can be made relevant to others, the Gospel has to be relevant and meaningful to us. Until we are in union with God, and make sense of our covenantal relationship with Christ, how can we be authentic enough to bring others to be in union with Him?

## **Union with One Another: Collective Reflection of Christ**

Unless we are in union with one another, how can we bring about a collective reflection of Christ’s love to others?

## **Conclusion**
